

# Justice Digitalization and Information Security Management in War Times and Beyond

June 6, 2023

8:00 – 10:00 am EDT / 15:00 – 17:00 Kyiv time

We are glad to invite you to the online conference on Justice Digitalization and Information Security Management in War Times and Beyond, organized by the State Judicial Administration of Ukraine and the International Association of Court Administration (IACA), with the support of the EU Project Pravo-Justice, and USAID Justice for All Activity.

The event will encourage discussion and solution finding for court digitalization and information security issues, and the continuance of court operations in war conditions, considering the best international experiences.
