

# Establishing the system of support to vulnerable groups of court users and victims of war crimes

**April 25, 2023**

**8:00 – 10:00 am EDT / 15:00 – 17:00 Kyiv time**

We are glad to invite you to the online conference on Establishing the system of support to vulnerable groups of court users and victims of war crime, organized by the State Judicial Administration of Ukraine and the International Association of Court Administration (IACA), with the support of the EU Project Pravo-Justice, USAID Justice for All Activity and All-Ukrainian Association of Court Employees.

The event will encourage discussion and solution finding for pressing war-time court need of establishing a system of support for vulnerable court users, including witnesses and victims of specific types of violent crimes, considering the best international experiences.

There will be present practices for establishing and rolling out the system of support for vulnerable court users in Ukraine Court volunteer service, as well as decisions on arranging premises for work with vulnerable people.
